

**VINTAGE SELECTION no. 33:
“Vintage Selection Mind the Box”**

Staged for the very first time at the CAVANIGLIA PAVILION in the FORTEZZA

Vintage Selection no. 33, the winter edition of the **reference fair showcasing vintage design clothing, accessories and objects**, will be held for the first time **at the Fortezza da Basso**, in the **striking location of the Cavaniglia Pavilion**.

On stage **from Wednesday 23 to Sunday 27 January**, ***Vintage Selection*** confirms its close synergy with **Pitti Filati (23-25 January)**, the event organized by Pitti Immagine at the Fortezza da Basso that presents excellences in yarn manufacturing on an international scale to its audience of top buyers, designers for the most prestigious *maisons*, creatives and fashion experts from all over the world. A hyper specialized public for whom every time ***Vintage Selection*** provides a stimulating experience with a high creative content, assuming the role of a concept lab for the trends of the past as well as an extraordinary archive from which to draw inspiration for their research. These will be joined by the numerous vintage culture enthusiasts, collectors and curious parties who make the fair itself, as well as all the accompanying fringe events, into a regular festival for this lifestyle dimension.

THE NEW FEATURES FOR THIS EDITION

The general theme for this edition, ***Mind the box***, refers to ***THE PITTI BOX***, the main theme of the winter shows organized by Pitti Immagine and a tribute to their ability to become extraordinary receptacles of ideas and new features portraying the latest vibrations of fashion and lifestyles. A theme that ***Vintage Selection*** will interpret through its own peculiar retro-contemporary filter.

A special layout punctuated by luminous frames will accompany visitors as they discover a new perspective on vintage. In harmony with the atmospheres of the Pitti Filati Spazio Ricerca, the commemoration of decades filled with **style in sport** as witnessed in the '70s, '80s and '90s will guide the fair's display and graphic choices as well as an exhibition that will use **surprising outfits to showcase the vintage sportswear universe**.
